## Day Trips: October-December 2018

### Countryside Artisans

The Countryside Artisans of Maryland represents a selected group of accomplished visual, sculptural, and textile artists working in a variety of mediums. The artisans jointly open their galleries and studios a few weekends each year. We will spend a day in the country, enjoy scenic drives between studios, and meet artists in the beautiful settings that inspire their work. Unfortunately we can't visit all the galleries and studios. Senior Services staff members will decide which locations we will visit.

Once seated we'll enjoy salad with homemade bacon dressing.
